Service quotation

Équipement Comairco Ltée

TERMS AND CONDITIONS :

- Quote valid for 30 days
- Shop supply charges subject to change
- Net 30 days on credit approval , deposit might be required
- Shipping not included
- Extra labour not included
- Disposal / Environmental fees extra
- Taxes not included

NOTE :

- This quote does not take into consideration time allowed for Comairco's technician training on customer site safety policies. In such event, please inform Comairco immediately in order to correct this quote or applicable charges will apply.
- This quote is valid in regular time and normal working hours.
- Unforeseen labour, parts, traveling expenses and taxes would be extra, with your authorization
- This quote does not take into consideration any special events such as festivals, holidays seasons, local strikes, bad weather, and/or any other circumstances out of Comairco's control that may influence in any way this quote.

Submitted pricing does not include any provision to compensate for tariffs that a government entity might impose to international commercial partners. Any change in governments' legislation, either local or international, that would impact quoted pricing until receipt of goods at a Canadian site may force Comairco and its suppliers to adjust pricing accordingly.
