

Assets of J&P Concessions Inc.

2017 Pace Model PR 85x20 TE2 engineered concession trailer, equipped with 9 ft exhaust canopy complete with ½ hp exhaust fan and fire suppression, on board holding tanks (50 gal fresh, 60 gal waste), triple sinks and hand wash sink, water heater and demand pump to provide hot/cold running water. Stainless steel countertops throughout with closed storage below and shelving above windows. This trailer has 2 50-amp service panels to supply the electrical requirements of the installed appliances. The trailer was designed specifically for the products being prepared. The trailer was designed by J&P Concessions and finished by UC trailers in Selkirk MB. Custom decals and partial wrap designed by J&P, installed by general signs. This trailer is all electric, no propane on board. The trailer is newly equipped with a 5000lb 12 volt electric tongue jack.
