71	Bare Land / Res	118	552
72	Bare Land / Res	210	984
73	Bare Land / Res	150	703
Total		10,000	

NOTE: Positions of buried facilities shown are derived from interpretations of signals from electric devices. Reception of electric signals is subject to interference and has limitations, therefore it should not be assumed that all buried facilities are shown, and facilities which are shown should not be considered as "located" until physically exposed. All underground installations should be marked by the respective authorities prior to excavation or construction.
